**AMENDED REPORT AND RECOMMENDATION
CONCERNING PLEA OF GUILTY
(FED. R. CRIM. P. 11(c)(1)(C) PLEA AGREEMENT)**

The United States of America and the defendant, having both filed a written consent to conduct of the plea proceedings by a magistrate judge, appeared before me pursuant to Fed. R. Crim. P. 11 and LCrR 11. By agreement of the parties, the Amended Superseding Indictment is amended to show the correct spelling of defendant's name is "Jaime Lopez Rosales." The defendant entered a plea of guilty to Count One of an Amended Superseding Indictment charging him with conspiracy to distribute methamphetamine in violation of 21 U.S.C. §§ 846 and 841(b)(1)(C). After advising and questioning the defendant under oath concerning each of the subjects addressed in Rule 11(b)(1), I determined that the guilty plea was in its entirety voluntarily, knowingly and intelligently made and did not result from force, threats, or promises (other than promises in the plea agreement). I further determined that there is a factual basis for the guilty plea on each of the

essential elements of the offense(s) in question. A plea agreement was disclosed at the plea proceeding and defendant stated he understood its terms and agreed to be bound by them. To the extent the plea agreement is of the type specified in Rule 11(c)(1)(A) or (C) defendant was advised the district judge to whom the case is assigned may accept the plea agreement, reject it, or defer a decision whether to accept or reject it until the judge has reviewed the presentence report as provided by Rule 11(c)(3)(A). Defendant was advised he may withdraw his plea of guilty only should the Court reject the plea agreement.

Subject to the Court's acceptance of the plea agreement, I recommend that the plea of guilty be accepted and that the defendant be adjudged guilty and have sentence imposed accordingly. A presentence report has been ordered and sentencing proceedings scheduled.
